

## Outreach Initiatives – Sharing the Love

Outreach is the Association's effort to reach out to support individuals and organizations involved in worthy literacy endeavours. All proceeds are directed toward local, national and international communities: assisting adult literacy groups, sponsoring Faculty of Education students, supporting book programs for daycares, building schools in Africa and providing programs to inform parents about literacy development, are examples of our commitment to making a difference.

### OUTREACH PROJECTS For 2018-2019

The East York-Scarborough Reading Association proudly supported the following projects this year:

#### Local:

- CAMH - Na-Me-Res Native Men's Residence
- East York Learning Association
- The Forgiveness Project
- Matthew House
- Parkdale Project Read
- South-Asian Autism Awareness Centre

#### National

- First Book Canada
- The National Reading Campaign
- Second Chance Library Program with the Second Chance Foundation

#### International

- Bhutan Canada Foundation
- Libraries Without Borders
- Refugee Literacy Programs in Athens, Greece

**Thank you for your support!**
